

Making Sense of Measurement

June 2022

HANDS ON METROLOGY TOUR

Origin is excited to invite you to the upcoming #HandsOnMetrology Tour Event, hosted by Origin's partner CAD Micro. During four short workshops, you will get a first-hand view of four 3D scanning solutions – and discover what they can do for your business.

Visit Origin at the International Manufacturing Technology Show

At IMTS, Origin will demonstrate automated inspection planning that saves 80% of the time needed by manual programming, show how it uses Quality Information Framework and also demonstrate how companies can now manage a diverse ecosystem of CMMs, scanners and soft gauges within the organization and across supply chains.

September 12-17, 2022

What Origin's Customers Have to Say

Just so you know...YOU'RE THE BEST!!! In all my years in this industry (like 30+) , I've NEVER had or heard of this level of response and support with software!! And I've been around.

John C. Morin III

G.P.R. Co.

You are Awesome!!!! You Guys always take care of us!! Thank You!

Kevin Romanowski

Bucher Hydraulics Inc.

"Checkmate technical support is superb, it is like the search engine "Google". You ask Cecil a question, literally, I receive a reply most of the times in minutes. I really appreciate Checkmate technical support team"

Riyad Abdel-Ghani

Pilkington North America
