

Making Sense of Measurement

March 2022

HAVE YOU TRIED THE NEW V1299?

Many of our customers have told us of the amazing new CheckMate 1299 enhancements that they love, from the new Sim Spheres to the new Reporting Whiskers to the new Geometric Tolerance Manager. We would love to have your input as well.

Send an email to support@originintl.com and tell us what new features you are really impressed with. If you have not had time to check it out, [watch some short videos here.](#)
